- In the event the vendor has **not quoted / not mentioned / left blank** item(s) in the commercial bid, for evaluation purposes the highest value for that item(s) among other submitted bids would be used to calculate the TCO, based on which the L1 bidder will be selected. However, for the purposes of payment and finalization of the contract, **the value of zero cost** in the unfilled item(s) would be used.

4. Normalization of bids:

The Bank has discretion to go through a process of Eligibility evaluation followed by the technical evaluation and normalization of the bids to the extent possible to ensure that eligible bidders are more or less on the same technical ground. The resubmissions can be requested by the Bank in the following two manners:

- Incremental bid submission in part of the requested clarification by the Bank.
