A detailed technical evaluation would be undertaken for eligible bidders and only the technically qualified bidders would be shortlisted for commercial opening.

The Bank will open the eligibility and technical bids, in presence of bidders' representative(s) who choose to attend, at the time and date mentioned in Bid document on the date and venue mentioned in control sheet. The bidder's representatives who will be present shall sign the register evidencing their presence / attendance.

2. Evaluation Methodology

The Bank will evaluate the technical response to the RFP of bidder who are found eligible as per the eligibility criteria mentioned in the RFP.

2.2 Technical & Functional Evaluation

- a. The proposals will be evaluated in three stages. In the first stage, i.e. Eligibility Evaluation as mentioned in **Annexure – XVI** the bidders will be shortlisted, based on their responses. In the Second stage, the commercial bids of the eligible & technically qualified bidders would be opened and evaluated.
- b. The Bank will evaluate the technical responses of the bidders who are found eligible as per the eligibility criteria mentioned in the RFP. There will be no scoring involved in the eligibility evaluation of the bidders.

- c. During the period of evaluation, bidders may be asked to provide more details and explanations about information provided in the proposals. Bidders should respond to such requests within the time frame indicated in the letter / e-mail seeking clarification / explanation.

Technical bid evaluation methodology that UCO Bank would adopt is given below:

3. COMMERCIAL EVALUATION

The commercial bids of only technically qualified bidders will be opened and evaluated by the Bank and the evaluation will take into account the following factors:

- a) The Bill of Material must be attached in Technical Bid as well as Commercial Bid. The format will be identical for both Technical Bid and Commercial Bid, except that the Technical bid should not contain any price information (with Prices masked). Technical bid without masked Bill of Materials will be liable for rejection. Any deviations from the Bill of Material / non-submission of prices as per the format shall make the bid liable for rejection.
- b) The L1 bidder will be selected on the basis of the amount quoted (Lowest TCO) for the proposed solution quoted by them as per commercial bid.

- d) In case there is a variation between figure and words, the value mentioned in words will be considered.

e) In the event the vendor has **not quoted / not mentioned / left blank** item(s) in the commercial bid, for evaluation purposes the highest value for that item(s) among other submitted bids would be used to calculate the TCO, based on which the L1 bidder will be selected. However, for the purposes of payment and finalization of the contract, **the value of zero cost** in the unfilled item(s) would be used.

4. NORMALIZATION OF BIDS:

The Bank has discretion to go through a process of Eligibility evaluation followed by the technical evaluation and normalization of the bids to the extent possible to ensure that eligible bidders are more or less on the same technical ground. After the normalization process, if the Bank feels that any of the bids needs to be normalized and that such normalization has a bearing on the price bids; the Bank may at its discretion ask all the eligible bidders to re-submit the technical and commercial bids once again for scrutiny.

The resubmissions can be requested by the Bank in the following two manners:

1. Incremental bid submission in part of the requested clarification by the Bank.
2. Revised submissions of the entire bid in the whole.

The Bank can repeat this normalization process at every stage of bid submission or till the Bank is satisfied. The eligible bidder/s have to agree that they have no reservation or objection to the normalization process and all the technically short listed bidders will, by responding to this RFP, agree to participate in the normalization process and extend their co-operation to the Bank during this process. 5. SHORTLISTING

The bidder needs to qualify as per eligibility criteria. Only eligible bidders will be qualified for the Technical evaluation process, to be qualified for commercial bid opening. Only those bidders who achieve technical requirements mentioned in scope of work would be short-listed for commercial bid evaluation.

The Commercial Bids of only technically qualified bidders will be opened and evaluated by the Bank and the evaluation will take into account the following factors:

- a) The TCO identified in the commercial bid would be the basis of the entire outflow of the Bank for undertaking the scope of work. The Bank will consider the TCO over a three years period starting from the date of Purchase order.

- b) The bidder will be solely responsible for complying with any applicable Export / Import Regulations. The Bank will no way be responsible for any deemed Export benefit that may be available to the bidder.
- c) In case there is a variation between numbers and words; the value mentioned in words would be considered.
- d) In the event the vendor has not quoted or mentioned the component or services required, for evaluation purposes the highest value of the submitted bids for that component or service would be used to calculate the TCO.
