8.	37	1. Broad Scope of Work	The Bank is centrally located with Head Quarters at Kolkata and with Treasury & Investment dept at Mumbai, Hongkong & Singapore at present. There are 69 offices around India at present dealing with forex or trade-based customers.	Bidder assumes that the 69 offices around India mentioned here are the FX branches apart from the 4 offices at Kolkata, Treasury dept Mumbai, Hongkong, Singapore where Branch portal solution is going to be used. Please confirm. Since the license for Branch Portal solution is based on Number of Branches and Number of Users, request the bank to specify the projected growth in number of FX branches to be considered in India and abroad for 5 years.	Please refer corrigendum
9	207	Annexure XVI - Eligibility Compliance	The proposed Branch Portal should have been implemented in any Bank in India or abroad with the proposed Integrated Treasury Solution AND The proposed Branch Portal should have been implemented in any Bank in India or abroad with Finacle (Version 10x or higher) CBS system having more than 100 forex branches. 27	372	Domestic, Singapore & Hongkong/ Storage	Min Port (32 GBPS or higher) - 24 The storage specification for combined storage on page 372 asks for 24 numbers of 32Gb/s ports. यूको बेंक लि	We request you to change the number of ports from 24 to 16 numbers of 32Gb/s. In the modern storage arrays the front end connectivity bandwidth for FC protocols has increased to 32Gb/s, hence the need to have more number of ports has decreased. With a smaller number of ports we can cater to a much bigger bandwidth. With 16 numbers of 32Gb/s ports the total front end bandwidth would be 512Gb/s which would be more than sufficient for a large enterprise environment.	Clause stands as per RFP
28.	345	TAB-8 : Specification s Of the Backup and Tape library	41. The offered tape library must have a high reliability i.e. MSBF (Mean Swap Between Failures) must be 2,000,000 cycles or higher	Dell Technologies doesn't have a published document mentioning MSBF of ML3 Tape library. Most importantly Dell Technologies as an OEM provides direct comprehensive warranty and AMC support as specified in the RFP by UCO Bank. Hence, Bank should not have any concern on the durability and reliability of the said tape library throughout its entire life cycle. Moreover, the said tape library from Dell is already installed at UCO Bank for different workloads for the last few years without any concerns on reliability and availability In this regard, we would request you to kindly amend the clause to "The offered tape library must have a high reliability i.e. MSBF (Mean Swap Between	Clause stands as per RFP

Annexure XVIII - Masked Commercial Bill of Material

S.No.	Instructions
I	Overall
1	The bidder is expected to quote the costs for all items required for fully complying with the requirements of the RFP and the
	addenda/corrigendum's in the respective sections of the price bid. The prices for the respective sections would be deemed to include
	all components required to successfully utilize the solution.
2	Bank is not responsible for any arithmetic errors in the commercial bid details sheet committed by the shortlisted bidders, however, if
	there are any computational errors the Bank will evaluate the Bid as per provisions contained under RFP document.
3	The bidder is expected to specify the type of licenses along with the details with respect to quantity/rate/etc, wherever applicable.
4	In case the bidder includes/combines any line item as part of any other line item in the commercial bid, then this has to be clearly
	mentioned in the description indicating the line item which contains the combination
5	The bidder has to quote for each line item. If any line item is part of the solution proposed in the RFP response, it has to be referenced.
	If it is not applicable, then the Bidder has to mention Not Applicable (NA).
6	The prices, once offered, must remain firm and must not be subject to escalation for any reason within the period of validity. All taxes,
	duties and levies of whatsoever nature excepting local entry taxes / octroi, if any.
	The price would be inclusive of all applicable taxes under the Indian law like customs duty, freight, forwarding, insurance, delivery, etc.,
	but exclusive of only applicable GST, which shall be paid/reimbursed on actual basis on production of bills with GSTIN. Any increase in
	GST will be paid in actuals by the Bank or any new tax introduced by the government will also be paid by the Bank. The entire
	benefits/advantages, arising out of fall in prices, taxes, duties or any other reason, must be passed on to Bank. The price quoted by the
	bidder should not change due to exchange rate fluctuations, inflation, market conditions, and increase in custom duty. The Bank will
	not pay any out of pocket expenses.
	Necessary documentary evidence should be produced for having paid the customs / excise duty, sales tax, if applicable, and or other
	applicable levies along with the request for final payment.
	The price would be inclusive of freight, forwarding, insurance, delivery, etc.
7	The Bidder may insert additional line items as applicable based on the solution offered in the respective tabs
8	The Bidders should quote as per the format of Bill of Material ONLY and a masked replica of the Bill of Material should be enclosed in
	the technical bid
9	Bidder is required to cover component by component licensing details for each of the software components proposed to the Bank.

10	The masked Bill of Materials which would be submitted as part of the Technical Bid should contain "XX" for ALL the corresponding
	commercial values that will be present in the unmasked Bill of Material that will be part of the Commercial submission.
11	All amounts in the Bill of Material should be in INR
12	The Bidder should to the extent possible stick to the same structure of the Bill of Material. Hence the Bank does not expect the bidders
	to delete necessary rows.
Ш	Application- License cost
1	The bidder has to quote for each line item. If any line item is part of the solution proposed in the RFP response, it has to be referenced.
	If it is not applicable, then the Bidder has to mention Not Applicable (NA).
2	The Bidder can insert additional line items as applicable based on the solution offered in the various tabs
3	The license type has to be clearly described in the Type of License column
4	During filling up the Application cost Tab under commercial format, bidder should mandatorily mentioned whether the same is asset
	based or user based or mixed of both. The list of asset classes/instruments & functionalities are fixed for all three centres except those
	which are very much specific to specific countries
Ш	Hardware, OS & DB
1	Bidder is required to supply, implement and maintain the servers, storage, Operating system, database, cluster software etc required
	for the Scope of work mentioned in RFP. Bidder needs to Size, Supply, Implement, commissison and maintain the hardware and
	software.
2	Bank will only provide rack space, Power, network, bandwidth, cooling at DC, DR and NDR
3	Bank already have EULA with ORACLE for the components as mentioned in the RFP. However, for TCO comparison purpose bidder has
	to quote ORACLE license price under Database line item of Commercial bid format. The licenses for Oracle components as proposed by
	the bidder will be shared by the Bank, however, if required bank may procure same from selected bidder also at the quoted price at
	the sole discretion of the Bank without any obligation. In case if the proposed application is compatible with any other enterprise level
	database other than Oracle then the number of licenses and cost for the database license and ATS should be quoted in the commercial
	format in the respective fields.
IV	Implementation
1	Bidder shall comply with the Installation and implementation scope provided in the RFP documents.
2	Implementation cost should include all the costs associated with the complete implementation of the solution covering all the
	locations & implementation of associated components like software etc.
v	Training
1	Bidder needs to provide the required training as specified in the RFP to the designated officials of the Bank
2	The rates provided by the bidders should be applicable on any additional trainings that the Bank may require throughout the tenure of
	the contract.
VI	ATS,AMC and Facility Management Services

1	Bidder is expected to provide a detailed break up of all products and services that are under the scope as part of the technical bid, in
	the technical bill of materials i.e. the above format is expected to be replicated for each item to be covered under the scope of facilities
	management.
2	The AMC, ATS costs for the Production DC & DR, testing & development and training environments have to be quoted separately
3	The ATS cost for applications has to be quoted in separate line items in this section. The Bidder has to create additional line items in
	this section if required
4	Offsite L3 helpdesk support cost should be covered under ATS and no separate cost has to be included
5	Bidder needs to quote for 100 Man days of efforts which will be utilize by Bank during contract period for any extra customization or
	change request. This rate will be valid for contract period and if durng contract period these 100 Man days get utilized by bank then
	Bank will procure the same from bidder at the same rate.
VII	Additional Asset & Modules
1	In this sheet bidder needs to provide the Lic cost of the modules which Bank may procure as and when require during the contract period. Bidder also
	needs to provide the ATS percentage which Bank will pay if there procure theese Lic. Bidder cannot merge any line item as Bank has the right to
	procure any item
2	Bidder also needs to prvoide the Implementation Efforts for each asset and module seperately. Bidder cannot merge any line item as Bank has the
	right to procure any item
3	Bidder who has qualified by Bidder's credential in Eligibility and Technical evaluation criteria needs to factor 20% OEM efforts for implementation
	while bidder who are getting qualified by OEM credentails needs to factor 100% efforts of OEM for implementation. This is valid of this section also

Annexure XIX - Commercial Bill of Material

S.No.	Instructions
I	Overall
1	The bidder is expected to quote the costs for all items required for fully complying with the requirements of the RFP and the
	addenda/corrigendum's in the respective sections of the price bid. The prices for the respective sections would be deemed to include
	all components required to successfully utilize the solution.
2	Bank is not responsible for any arithmetic errors in the commercial bid details sheet committed by the shortlisted bidders, however, if
	there are any computational errors the Bank will evaluate the Bid as per provisions contained under RFP document.
3	The bidder is expected to specify the type of licenses along with the details with respect to quantity/rate/etc, wherever applicable.
4	In case the bidder includes/combines any line item as part of any other line item in the commercial bid, then this has to be clearly
	mentioned in the description indicating the line item which contains the combination
5	The bidder has to quote for each line item. If any line item is part of the solution proposed in the RFP response, it has to be referenced.
	If it is not applicable, then the Bidder has to mention Not Applicable (NA).
6	The prices, once offered, must remain firm and must not be subject to escalation for any reason within the period of validity. All taxes,
	duties and levies of whatsoever nature excepting local entry taxes / octroi, if any.
	The price would be inclusive of all applicable taxes under the Indian law like customs duty, freight, forwarding, insurance, delivery, etc.,
	but exclusive of only applicable GST, which shall be paid/reimbursed on actual basis on production of bills with GSTIN. Any increase in
	GST will be paid in actuals by the Bank or any new tax introduced by the government will also be paid by the Bank. The entire
	benefits/advantages, arising out of fall in prices, taxes, duties or any other reason, must be passed on to Bank. The price quoted by the
	bidder should not change due to exchange rate fluctuations, inflation, market conditions, and increase in custom duty. The Bank will
	not pay any out of pocket expenses.
	Necessary documentary evidence should be produced for having paid the customs / excise duty, sales tax, if applicable, and or other
	applicable levies along with the request for final payment.
	The price would be inclusive of freight, forwarding, insurance, delivery, etc.
7	The Bidder may insert additional line items as applicable based on the solution offered in the respective tabs
8	The Bidders should quote as per the format of Bill of Material ONLY and a masked replica of the Bill of Material should be enclosed in
	the technical bid
9	Bidder is required to cover component by component licensing details for each of the software components proposed to the Bank.

10	The masked Bill of Materials which would be submitted as part of the Technical Bid should contain "XX" for ALL the corresponding
	commercial values that will be present in the unmasked Bill of Material that will be part of the Commercial submission.
11	All amounts in the Bill of Material should be in INR
12	The Bidder should to the extent possible stick to the same structure of the Bill of Material. Hence the Bank does not expect the bidders
	to delete necessary rows.
Ш	Application- License cost
1	The bidder has to quote for each line item. If any line item is part of the solution proposed in the RFP response, it has to be referenced.
	If it is not applicable, then the Bidder has to mention Not Applicable (NA).
2	The Bidder can insert additional line items as applicable based on the solution offered in the various tabs
3	The license type has to be clearly described in the Type of License column
4	During filling up the Application cost Tab under commercial format, bidder should mandatorily mentioned whether the same is asset
	based or user based or mixed of both. The list of asset classes/instruments & functionalities are fixed for all three centres except those
	which are very much specific to specific countries
Ш	Hardware, OS & DB
1	Bidder is required to supply, implement and maintain the servers, storage, Operating system, database, cluster software etc required
	for the Scope of work mentioned in RFP. Bidder needs to Size, Supply, Implement, commissison and maintain the hardware and
	software.
2	Bank will only provide rack space, Power, network, bandwidth, cooling at DC, DR and NDR
3	Bank already have EULA with ORACLE for the components as mentioned in the RFP. However, for TCO comparison purpose bidder has
	to quote ORACLE license price under Database line item of Commercial bid format. The licenses for Oracle components as proposed by
	the bidder will be shared by the Bank, however, if required bank may procure same from selected bidder also at the quoted price at
	the sole discretion of the Bank without any obligation. In case if the proposed application is compatible with any other enterprise level
	database other than Oracle then the number of licenses and cost for the database license and ATS should be quoted in the commercial
	format in the respective fields.
IV	Implementation
1	Bidder shall comply with the Installation and implementation scope provided in the RFP documents.
2	Implementation cost should include all the costs associated with the complete implementation of the solution covering all the
	locations & implementation of associated components like software etc.
v	Training
1	Bidder needs to provide the required training as specified in the RFP to the designated officials of the Bank
2	The rates provided by the bidders should be applicable on any additional trainings that the Bank may require throughout the tenure of
	the contract.
VI	ATS,AMC and Facility Management Services

1	Bidder is expected to provide a detailed break up of all products and services that are under the scope as part of the technical bid, in
	the technical bill of materials i.e. the above format is expected to be replicated for each item to be covered under the scope of facilities
	management.
2	The AMC, ATS costs for the Production DC & DR, testing & development and training environments have to be quoted separately
3	The ATS cost for applications has to be quoted in separate line items in this section. The Bidder has to create additional line items in
	this section if required
4	Offsite L3 helpdesk support cost should be covered under ATS and no separate cost has to be included
5	Bidder needs to quote for 100 Man days of efforts which will be utilize by Bank during contract period for any extra customization or
	change request. This rate will be valid for contract period and if durng contract period these 100 Man days get utilized by bank then
	Bank will procure the same from bidder at the same rate.
VII	Additional Asset & Modules
1	In this sheet bidder needs to provide the Lic cost of the modules which Bank may procure as and when require during the contract period. Bidder also
	needs to provide the ATS percentage which Bank will pay if there procure theese Lic. Bidder cannot merge any line item as Bank has the right to
	procure any item
2	Bidder also needs to prvoide the Implementation Efforts for each asset and module seperately. Bidder cannot merge any line item as Bank has the
	right to procure any item
3	Bidder who has qualified by Bidder's credential in Eligibility and Technical evaluation criteria needs to factor 20% OEM efforts for implementation
	while bidder who are getting qualified by OEM credentails needs to factor 100% efforts of OEM for implementation. This is valid of this section also
