FRAUD ALERT

Beware of WhatsApp

CIBIL SCAM

Nowadays, cybercriminals are duping unsuspecting individuals through WhatsApp messages, purportedly demanding payment for fraudulent CIBIL charges related to existing loan accounts.

Best Practices to avoid such scam

-  Refrain from making immediate payments in response to urgent or threatening messages.
-  Avoid sharing sensitive, personal or financial information over messaging platforms.
-  Always verify & investigate the validity of the messages claiming to be from CIBIL or any financial institution.
-  Contact your Bank or lending institution directly through Official channels to confirm the authenticity of such messages/charges.
